

English Talk-for-Writing home school booklets.
Year 3: Journey to the Jungle by Maria Richards (complete up to and including p9). **Year 4:** Mission Impossible by Kat Pennington (complete up to and including p18). We will continue next week.
Enjoy going on a reading adventure every day.

Art/D&T Mexican Pinata

Pinatas are a large part of Mexican tradition and culture. A piñata is typically a colourful papier-mâché animal (or some other shape), with a hollow cavity filled with treats. At Mexican fiestas children take turns hitting the piñata until it breaks, the treats fall out onto the ground and everyone rushes to collect them. Have a go at making a mini pinata. Get creative. Use paper or recycle a newspaper if you don't have any tissue paper. Go to <https://www.youtube.com/watch?v=dKTSBLfTZ2U>

Geography The Weather and Climate in Mexico Watch <https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/z7dkhbk> Watch and read the slides about the weather and climate in Mexico. Complete the activity sheet which compares the temperatures of two cities in Mexico: Chihuahua city in Chihuahua and Villahermosa in Tabasco.
Challenge: Explain the difference between weather and climate, and a temperate and tropical climate.

Swifts Home Learning-Week10

Swifts growth mindset
"I can't do it yet!"

Hola Mexico!

French - Clothes and Food - visit

<https://www.bbc.co.uk/bitesize/articles/z64xprd>
 There is a quiz and matching task to complete. Can you also write a French Menu? Extension sheet - write the English translation for the French food.

Music - Solo Career

Over the next few weeks you are going to launch a solo career - unless you can recruit some band members from home. Your first task is to write a song, it can be about anything. If writing the whole song is tricky - try and write a catchy chorus that could be repeated.

Science Eating and Digestion Our bodies need food to eat but have you ever wondered what happens to the food once you have swallowed it? Watch <https://www.bbc.co.uk/bitesize/topics/z27kng8/articles/z9wk7p3>
<https://www.bbc.co.uk/bitesize/topics/z27kng8/articles/zq2q7p3>
<https://www.bbc.co.uk/bitesize/topics/zv9qhyc/articles/zdkfvk7>

Watch and read the slides. Complete the digestive system activity sheet.

Challenge: Experiment to find out how different liquids affect the food in our stomachs.

Maths Daily Maths Whizz (30 mins).

<https://www.timestables.co.uk/speed-test/>

This week we are looking at interpreting graphs.

Please visit -

https://central.espresso.co.uk/espresso/modules/resource_box/maths_activities_ks2/page_5.html?source=search-Maths-KS2-Maths-all&source-keywords=line%20graphs

Attached are some sheets for you to complete, they are all about interpreting data with pictograms and bar charts. (You can use lined paper to draw any graphs.)

Can you collect your own data and use the correct graph to show your data.

Extension sheet - this has a focus of line graphs. This is a new type of graph, so these questions are for you to try.

P.E. - Cosmic Yoga

Click onto <https://www.youtube.com/watch?v=R-BS87NTV5I> to complete so yoga.
