

English Edit and complete your retelling of the true Mexican volcano story, Hill of Fire by Thomas P Lewis.

<https://www.bing.com/videos/search?q=hill+of+fire+thomas+lewis&docid=607999654735712106&mid=1AE020C8920E3E5E9A1E1AE020C8920E3E5E9A1E&view=detail&FORM=VIRE>

It tells the story of the birth of the Paricutin volcano in Mexico in 1943. Write a retelling of the story in your own words. Complete the story planning sheet first. Use past tense and the word mats and the pictures to sequence to help you. Remember to use time fronted adverbials and powerful adjectives. You could use adverbs and verbs to add interest too.

Challenge: Change your reporting clauses using super synonyms for said. E.g. "Nothing ever happens!" wailed the unhappy farmer. Can you add some similes to your writing?

Science Classifying carnivores, herbivores and omnivores. You have learnt that animals all eat different things to get the right nutrients they need to be healthy. Watch and read the slides.

Sort the animals on the animal cards into the correct set on the venn diagram.

Challenge: Animal habitat challenge card questions.

Computing Barefoot computing have added some more educational home learning games to their website.

Go to

https://www.barefootcomputing.org/homelearning?mc_cid=b8b438bf50 and use your computational thinking skills to solve problems and play the new 'Interactive Learning Games' at the bottom of the page.

Swifts Home Learning-Week 8

Swifts growth mindset
"I can't do it yet!"

Hola Mexico!

P.E. -

Place two markers about 4 metres apart - how many times can you run between the markers in 40 seconds? Can you beat your score? How many other ways could you travel between the markers? Can you use any equipment whilst moving?

PSHCE - Friends

Last week you drew a picture of yourself and wrote what you like about the way you look. This week can you draw a picture of a friend and write what characterises you like about your friend, what are their special qualities? What makes them unique? Do you have anything in common with your friend? (It doesn't have to be a friend from school.)

Art/D&T Wellbeing Craft

At the moment it is important to have some activities and lovely things to look forward to. Use the craft instructions to create your own wellbeing jar. Decorate your jar so that it is special to you. Get creative - you could use your favourite stickers, ribbons, paper shapes, sequins, rainbows and glitter.

Maths Daily Maths Whizz (30 mins).

This week you are going to become a shop owner and set up a new shop at your house. It can be any type of shop. You need to make price labels for all of your items that you are going to sell. You might also need to make coins and notes to have in your shop. When customers come to your shop - you need to...
~ Add up the price of all of the items they are buying
- you could write this on paper so your customer can have a receipt.
~ You will need to count the money they give you.
~ If they do not give you the right money - can you calculate the change?

RE - Special Journey

We have looked at lots of different pilgrimages and special places. Can you draw a picture of a place that is special to you and write why you have chosen it. Or can you think of a special journey and write about it?
