

Transition

Explore your new school's website to find out all you can about the school day.

- What time do you start?
- What time do you finish?
- When is break? How long is it?
- Lunch? How long do you get?
- Try to find a timetable of the day.
- How long are your lessons?
- How will you know where to go?
- How will you know what subject you will be doing when?

How do you feel about what you have found out?

What are the good things? Are there any things you wish were different?
