For working extremely hard every day and persevering with challenging tasks. He has also been very helpful and nurturing towards his peers.

She has not only learnt her lines but has also thought about the expression and actions needed for when she is performing.

## Swifts

For always helpful in the classroom and towards her classmates. She has shown great perseverance and always tries her best.

She has a real talent for writing and has her own unique style. This week she has done some wonderful creative writing.

## Skylarks

For really improving his concentration in all areas. He has also been sensible enough to help and show others what to do.

She is always calm and sensible in class. She is always willing to help and shows kindness to others.

#### Sparrows

She is always caring and considerate, checking everyone and everything is ok. This week, without being asked, she took it upon herself to make sure all the resources and activities were tidied and organised to her liking so that the "other kids won't hurt themselves on them". Well done for being so helpful and kind!

### Reading Challenge

Swifts have won the reading challenge. Well done!

Remember to keep reading at home and getting an adult to sign your reading diary to earn a gem for your class bottle.
