Values

Our main value for this half term is Resilience. This also links in with Perseverance, Courage and Self-belief.

Eco News

Following our eco meeting where the children raised the issue of helping those in Ukraine, the school has chosen to support the work of the **British Red Cross Ukraine Crisis Appeal**.

We will be holding a non-uniform day on Friday 22nd April 2022. We are asking for minimum donation of £1 and would encourage children to dress in **blue and yellow**. We will also be planting and sending home sunflowers as this is Ukraine's nation flower.

Blue and yellow friendship bracelets made by the staff and children will also be available from the school office for a suggested donation of 50p.

We will not be discussing the war in Ukraine but will focus on the importance of helping others.

Since the start of the school year we have raised nearly £500 for different charities and we are proud of our students and their commitment to supporting others.

Schoodoodle

We are really pleased that our new after school club is full already. The club will be offered to KS2 children after the May half term.
