News & Dates

Last Newsletter of this Year

It's that time again where we say a fond farewell to our year 6 children who are moving on to high school. We wish them all the very best for the future.

We are also saying a very sad goodbye to Mrs Brooks. She has been a valued member of staff, and we wish her all the very best in her new job.

Eco Stars of the Week

This week's eco star is Barney for helping to keep our world clean by collecting litter from the sea whilst on holiday.

Eco Committee

It was amazing to see so many enthusiastic children at last week's eco committee meeting. As there were so many children wanting a role, we are going to do things a bit differently next year. The main committee will be made up predominantly of year 5 and year 6 children. Then each class will have its own eco helpers. These children will have eco responsibilities within their classrooms and will be a positive role model to their peers. There will be a list in each classroom with the names of the children with class responsibilities.
