News & Dates

Sports Day - Monday 30th June

Following the success of our Federation Festival, we were hoping to bring both schools together for a sporting event at the end of July. Unfortunately this is not going to be possible. We will still be getting together at Woodton in the future and will keep you posted!

We would however, like to invite parents to join us for our sports day races on Monday 30th June. All are welcome to come in at 13.30 to watch and cheer on the children.

Out of School Achievements

One of our year 5 boys recently took part in a karate grading. He has achieved 3rd KYU (Brown Belt), which is awesome. Well done!

During half term two of our children climbed Mount Snowdon (the highest peak in Wales and England). They walked 4.5 miles along the Llanberis path to reach the summit at a height of 1085 metres. They got wet and could not see much as it was very cloudy, but they made it to the summit and then had a well deserved ride down on the train. This is such an amazing achievement, we are really proud of them!
