News & Dates

Sports Day

Well done to all the children for surviving a very hot sports day this week! They all thoroughly enjoyed the morning activities, especially the water ones. Thank you to the parents who came in to support the children and to our fabulous PTA for providing ice lollies.

Swallows' London Trip

Last week the children in Swallows went on a trip to London. They visited the National Gallery to look at some artwork they have been studying, including Van Gogh's Sunflowers. After eating lunch in St. Jame's Park, they then went on to see Back to the Future at The Adelphi Theatre. The children had an amazing day, and were all superstars with their behaviour, and dealing with the heat walking through a busy city. For more photos, please visit our website gallery page.

Eco Star of the Week

This week's Eco star is Harlow, for picking up litter dropped by a year 6 child. Well done Harlow!

Busy Bees Late Pick Up

We are getting more and more children being collected late from Busy Bees, or from the end of the school day. Please be on time as this impacts members of staff who may have their own children to collect or have meetings etc. to get to. Continual late pick up from Busy Bees may mean you will be unable to access this club. Thank you for your understanding.

IMPORTANT
