Values for Life - Resilience

This is the value for this half term, which links values of perseverance, courage and self-belief. This week we have been introducing resilience

Class updates will begin from next week.

Staff Car Park

Please can we remind all parents and carers that all parents must park in the top car park and not in the staff car park at drop off and collection. This is for staff only and is not a safe area for children. Thank you

Start of the School Day

Now we are in the second part of the Autumn term and the children all seem to be settled in, we would like to start children saying goodbye to parents/carers at the door, all children are capable of bringing in their own coats and bags, finding their peg and making their way into class.

Also may we remind everyone that the door opens at 8.40 in the morning and closes at 8.50 am. Children that arrive after the door closes will have to come through the office at this point they will be marked as slightly late after register has closed. Arrivals after 9 will need to sign their children in and this will be marked as late.

Menu Change - December

There will be a slight change to the school menu on the last full week in December.

11th December - Oriental Chicken

12th December - Fish Finger Lunch

13th December - Christmas Lunch

Football Tournament - Selected years 4-5-6
