Values for Life – Aspiration

This is the value for this half term, which links values of forgiveness, trust and hope.

Class Update:

Oaks

Maths: We have been investigating area, perimeter and volume. We have revised fractions and division.

Literacy: We have been continuing our writing of a whale fiction story and have begun a diary entry in the role of the wolf from Little Red Riding Hood.

Science: We have keenly observed the bread experiment, which is showing the positive effects of hand washing with warm water and soap!

We also raised £51.60 yesterday from our Toy and Book Sale, thank you everyone for coming along and donating.

Class Update

Willows

Willows looked amazing yesterday and had a wonderful World Book Day! Thank you for joining us. Your child will be bringing home their world book day token today, please help them exchange this for a book at all participating retailers.

In Maths today, we have been solving problems using our addition skills as well as recognising numbers and amounts.

Well done to all the children for their spelling test results today. Please help your child to learn their spellings, as these are key words for their writing development. Have a wonderful weekend, Mrs Q

Class Attendance –

The class with the highest attendance each week will receive a star for their door and the class with the most stars will win a prize at the end of term. This will run from the previous term Friday to the current Thursday. Let's see which class can get 100% attendance every week.

Willows – 97.04 %

Oaks – 98.7 % **Well done to Oaks they win this weeks attendance**

EDP School Report Article

We have another photo of the whole school on World Book Day being published in Monday 9th March Eastern Daily Press newspaper.

Sports Relief

Reminder: We hope you have all been gathering sponsors from family and friends for our Sports Relief day.

You still have this weekend to raise some more money. Lets see how much money we can raise ready for the even on Wednesday 11th March.

World Book Day 'Into the Woods'

Focus On Willows

Each week the classes will take turns with showing you what they have been doing in class.

Willows read through the Gruffalo in class, and then proceeded to make some Gruffalo Crumble.

World book day raffle:

The raffle was drawn this morning in assembly, and we can reveal that the winning ticket number was **312** Please come to the school office to collect your prize.

Reading Challenge

We have noticed that many of the children are not reading as regularly as necessary, at home. We expect every child to read at least 3 times a week, although we would hope that Reception and Key Stage 1 children are reading daily.

The challenge is a competition, between classes: every time a child reads at home, and their Reading Record is signed by an adult, they will be given a glass pebble to put in a bottle. The first class to fill their bottle, wins!

The reward, such as a non- uniform day, trip to the park or Lego Challenge will be chosen by the class. Please support your child and enjoy reading together as often as possible.
