NURTURE

Friday 24<sup>th</sup> January 2020

Dear Parents / Carers,

The children have had a great start to the Spring term learning all about learning. They have learnt that every time they struggle with a problem the neurons inside their brain fire and create new pathways – they are literally growing their brains! They have also learnt the difference between a fixed and growth mindset and how these can affect the way in which we learn.

As part of Growth Mindset the classes have created some brilliant displays to keep reminding them that learning is tough and we need to keep persevering!

Please find attached a helpful guide which gives you more information about Growth Mindset and how you can help your child at home. If you have any questions, please just pop in and talk to your class teacher.

Yours Sincerely

Miss Dawn Read  
Headteacher
