

Everything that makes me smile!

Snowflakes melting on my tongue.
Whistling a happy song.

Chewy toffees, chocolate cakes.
Soft ice cream and milk shakes.

The scent of toast at breakfast time,
Or wind-blown washing on a line.

Silver frost on spider's webs.
Paddling where the warm tide ebbs.

Fireworks sparkling way up high.
A shooting star that lights the sky.

A smooth, round pebble in my hand.
The trickle of fine sun-warmed sand.

Winning a race with speed and style.
Everything that makes me smile!
