

We are Busy Window Shoppin'

(A Rap) by Paul Cookson

We can look but we can't touch
 We've no cash and we can't buy much
 We can wish but we can't get
 But – it's not stopped us yet
 I said, but – it's not stopped us yet

We can live beyond our means
 If we live within our dreams
 We all love to fantasize
 About our latest greatest buys
 All our greatest buys

Hearts a pumpin', eyes a poppin'
 We are busy **window shoppin'**
 A hip hoppin' there's no stoppin'
 We are busy **window shoppin'**

All the things that we would choose
 The most expensive training shoes
 Tons of chocolate, tons of sweets
 Tons of things to drink and eat
 Things to drink and eat

Skateboards, scooters, roller boots
 New computers and tracksuits
 Mobile phones and DVDs
 Ghetto blasters and CDs
 Xbox® and PlayStation 2®
 Lots of things to play and do
 Lots of things to play and do
 Some for me and some for you
 Look out 'cos we're comin' through

Hearts a pumpin' eyes a poppin'
 We are busy **window shoppin'**
 A hip hoppin' there's no stoppin'
 We are busy **window shoppin'**

Though our pockets may be empty
 We pretend that we have plenty
Re-tail ther-a-pee
 Is even better when it's free
 Even better when it's free

Hearts a pumpin' eyes a poppin'
 We are busy **window shoppin'**
 A hip hoppin' there's no stoppin'
 Everybody window shoppin'
