

A Place

By Sara Fox

A place for flowers
A place for trees
A place to feel the gentle breeze

A place for peace
A place for calm
A place for feeling safe from harm

A place to love
A place to share
A place to show someone I care

A place to be still
A place to breathe
A place, whatever I believe

A place for thought
A place for prayer
A place for me, that's always there
