

School Improvement & Development Plan Summary

Ellingham & Woodton Primary Federation

2020 – 2021

Priority 1:

To improve further the breadth and depth of our curriculum.

- To implement remote learning which reflects our new curriculum
- Curriculum Leaders to continue to develop their subject,
- Curriculum Leaders to monitor the implementation of their subject.
- SLT to continue to enhance the curriculum, giving learners a broad and balanced curriculum.
- Share the improvements to the curriculum with the wider community.

Priority 3:

To improve assessment practices across the curriculum.

- Staff analysing their own data using QLAs to identify gaps in learning and using PiXL therapies
- To develop assessment practices for the wider curriculum

What are we doing this year to improve our Federation?

Priority 4:

To improve the provision of Reading for all pupils.

- To increase the opportunities to read and explore books
- To improve class book corners
- To improve the provision for early years readers
- To improve the library at Ellingham
- To improve reading comprehension

Priority 2:

To ensure that there is appropriate challenge in all areas of the curriculum.

- To use questioning effectively to promote deeper thinking and challenge
- To share examples of 'what excellence looks like' with the children
- Give children more problem solving opportunities across the curriculum

Priority 5:

To continue to develop and embed the spirituality in the schools through our vision and values.

- Set and Implement the vision and values for school
- To embed the vision and values into behaviour policies, actions and teaching
- Improve Collective Worship to include pupil participation
- To share our visions and values, through our work with Schools of Sanctuary
