

Maths Whizz Wonders

Once again we're in the middle of our fortnight. After Willows won the cup last time so conclusively, we're all hoping that Oaks are making an increased effort to close the gap. A little bird has said that more still needs to be done in the coming week!

Busy Buzzy Bee Awards

A super effort has been made by everyone this week. Mrs Querelle's bee certificate went to Henry Borrett who displayed amazing patience and politeness when she was in Willows on Thursday afternoon ☺

Mrs Chilvers has chosen the Year 3/4 bees this week which have gone to Thomas and Molly D, Whilst in Willows Mrs Brooks has been wowed by Imogen Blake and Mollie Page.

Please can we ask for the loan of picnic blankets for next Friday - see text message for details! Please leave with Miss Bradley in the office.

Willows

This week we have been writing our own diary entries and a diary for "Tiddlers" new adventure. In Maths we have been looking at measuring times and distances. Our Geography this week has included looking at man-made and natural features at the Seaside.

Please can you all start saving cardboard packaging and plastic bottles for a project at the end of term. Please bring in your junk on Thursday 20th. No toilet roll tubes, egg boxes, raw meat packaging or tins please - no additional hazards required!

PLEASE can you all practise your child's spelling with them.

Oaks Performance

As you are aware the great performance has finally arrived and there are a couple of last minute details which you need to be aware of.

On **Tuesday 4th** the children are walking up to the village hall at lunchtime so a packed lunch is required. Please collect your child from the Village Hall in Woodton at 4pm.

On **Wednesday 5th** the children need to be dropped off at the Village Hall at 8.45am. If you have a child in Willows you may drop them off first and then head up to the Village Hall.

Oaks

What a week it's been! Whilst Mrs Morton and her posse have been getting all adventurous at Kingswood the Year 3 and 4 children have been enjoying the outdoors with Mrs Wells and Mrs Chilvers. Plants have been potted, tyres prettified and planters painted - phew. A chilled weekend is definitely needed by all, especially considering next week is rather full on!

Dates for your Diary

- 4th July - Oaks at the Village Hall till 4pm.
- 5th July - KS2 Summer Performance
- 7th July - Whole school picnic lunch - letter coming home on Monday
- 10th July - Willows Dance Festival.
- 12th July - Sports Day 1:30pm
- 14th July - Sharing Assembly 9:30am
- 17th July - Year 5 languages Day
- 19th July - Athletics at the UEA, those involved have received a letter.
- 21st July - Last day of term

Many thanks to everyone who helped out and supported the School Fete last Saturday.

We have made over £1000 which will, of course, directly benefit your child in school.

The recently rejuvenated pond area is in need of a little TLC. We'll be having a weeding party on Monday 3rd, after drop off, if anyone is able to spare a little time to lend a hand. We may even be able to convince the school to make us a coffee or tea to keep us going! ☺
