UNDERSTANDING YOUR CHILD

SOLIHULL APPROACH

Many thanks to all the parents who dropped in to the coffee and chat session this week. I will be running these drop-ins every fortnight so parents / carers can pop in for an informal chat. It will give us a chance to talk through what we've found out so far in the Solihull and share ideas. I'll be printing off the leaflets and idea sheets which go with the program as well as doing the program myself. Several members of staff and Governors are also taking part themselves to help develop their understanding of what makes children "tick!" If you don't have access to a computer or internet I'll have these available at the drop in's. This week your child has come home with a Solihull information leaflet containing the access code which allows you to sign up to the program for free. The drop in dates are listed below, please feel free to pop in for a chat 😊 Mrs Querelle
