Oaks

This week we have been working on fractions and time in maths. Please discuss time with your children at home to aid their understanding.

We have been working on direct and reported speech and newspaper reports. Hopefully, we will have written reports on Tutankhamun's suspicious death by Friday!

The Maths Whizz time has increased dramatically. Well done and thank you. The children have the opportunity to access Maths Whizz at playtimes and dinner times, so please remind them to do this if your internet access is not available.

Willows

We are continuing with our Great Fire of London topic, and Year 2's will be writing their newspaper articles next week while Year 1 and Receptions will be creating captions to match pictures.

Scripts for our nativity will be coming home, please help your child to learn their lines. We will also be sending home requests for costumes. Thank you

We need shoe boxes please, or boxes of a similar size, as we are planning to build Tudor houses.
