Oaks

This week we are telling the time, converting between 12 and 24 hour clocks and calculating time differences.

We are writing advertisements using persuasive writing and play scripts.

In science we will demonstrate how the lungs inflate and how oxygen crosses from the lungs into the blood.

We are learning about the stories Jesus told in RE.

Willows

Willows have really enjoyed learning about the Great Fire of London, and this week we have written our own newspaper reports which will be on display in Willows. Next week we will begin using 'The Snowman' by Raymond Briggs and will be writing a diary entry as James. In maths Year 1 will be learning about doubling and halving, Year 2 will be learning about using arrays for multiplication, and receptions will be finding 1 more and 1 less.

Please practise your nativity lines at home - scripts must be put back in book bags. Thank you

Midday Supervisor Vacancy

Vacancy for a Midday Supervisor. We have a vacancy for a midday supervisor at Woodton Primary School. You will need to have a calm, caring and friendly manner and enjoy working with children. Duties will include the supervision of pupils over the lunchtime period ensuring the safety and well-being of pupils in the dining room (includes some table-cleaning and moving duties, and chair stacking), playground duty engaging with children through play, and interaction with children, classroom supervision during wet play time, some minor first aid is involved. Please see our website for more information and an application form.
