## Values for Life - Hope

The theme for this week has been 'Bringing Hope to Others'.

### Oaks

This week we have been completing assessments and investigating reflections in 4 quadrants.

### Literacy

We have been completing assessments and are writing diary entries as a Viking.

### History/Art

We have been researching Viking long ships and recreating these in a seascape.

### Willows

Willows have really enjoyed learning about Africa & having a visit from Sunny. We hope you will join us Tuesday for sharing assembly to see all our work.

Our topic next term is 'Roots, Shoots and Fruits'. We will be learning all about plants & growing. We would love a garden centre role play & would really appreciate donations of artificial flowers, plants, seed packets, plant pots to fill our garden centre.

### Sports For Schools Tokens

A reminder that we are collecting tokens out of the local newspaper to be in with a chance of winning sports equipment.

Please pop any tokens you have into the box in the school office porch, thank you.

Please also check carefully as the papers sometimes issue more than one voucher at a time.

### Tag Rugby

Reminder: Monday 26<sup>th</sup> March,  
3.45pm to 5.15pm

Parents need to provide transport on this occasion. Full P.E kit is required, plus warm clothing.

### School Council Request

The School council, in discussion with their classmates, have decided they would like to do some renovation to the Hobbit Hole. They see this as being a quiet space to read and chill out at lunchtimes. In order to achieve what they are hoping they have come up with a novel and helpful way to raise funds.

They have asked all of the children to take part in "Change for a Chore" over the next four weeks.

This involves your child doing jobs around the house in exchange for a small payment towards our renovations. They could perhaps

- do some vacuuming,
- dusting,
- washing up,
- put the washing away,
- empty the dishwasher
- do some gardening,
- set the table,
- clean the car inside and/or out
- or being generally helpful to ALL their adults.

Please support the children in their quest to improve their down time. All money donations, no matter how big or small will be gratefully received. Please can the children bring their money raised into school on Monday 16th April. Many thanks.

### Art Exhibition

Thank you to all that attended the Art Exhibition. We still have some children's pictures, these will be available to purchase till Monday 26<sup>th</sup> March. If you are interested in buying your child's art work, please contact the office. All the pictures are framed and cost £8.50 each.

### Solihull Approach

Don't forget the Solihull Approach is there to help when your patience has worn so thin it can only be found with an electron microscope. ## ① Apply code

Your name is optional, it is used to personalise your experience on the site and on your certificate at the end of the course (you can add it to your profile in account settings later if you prefer). Your name will not be shared.

Questions here are used anonymously to work out what kind of people are accessing this plan. The Solihull Approach will report this information to the organisation who pay for the access but will NOT reveal your name.

## ② Create an account

The screenshot shows a three-step registration form. Step 1, 'Your information', includes fields for 'First name (Optional)' and 'Last name (Optional)', a gender selection question with radio buttons for 'male', 'female', and 'non-binary', and a 'Continue' button. Step 2, 'Your account credentials', includes a required 'Email address \*' field, a password field with instructions 'Choose a password, or use your existing password if you have one \* (at least 8 alphanumeric characters)', and a 'Confirm password \* (at least 8 alphanumeric characters)' field. Step 3, 'Plan Questions', includes a 'What is your postcode? \*' field. Red circles highlight the gender selection, email address, and 'Continue' button. Blue arrows point from the text blocks to these elements.

An email address is required to create an account so that you can sign in and resume the course where you left off. Your account remembers that you have access to a course(s). Your email address will NOT be shared with any third party, including the organisation who pay for your access. The Solihull Approach may very occasionally send you updates about the course.

Some plans may ask for your postcode or other 'plan question'. This is also treated anonymously.

This screenshot shows the form after completion. In Step 1, 'John' and 'Smith' are entered in the name fields, and 'male' is selected for gender. In Step 2, the 'Update' button is visible. In Step 3, the 'What is your postcode? \*' field has a green checkmark. On the right, an 'Order summary' box shows 'Welcome to our SCHOOL MUL trial plan! £0.00' and 'Understanding your child'. Below this, it shows 'Subtotal £0.00' and 'Total £0.00'. A green button with the text 'It's FREE! Click here to access' is circled in red.

## ③ Enjoy the course!
