Values for Life - Justice

The theme for this week has been 'Including Others'

Oaks

This week we are writing biographies of Aristotle and Copernicus and ensuring our use of subordinate clauses and semi colons are secure.

Maths:

In maths we are multiplying and dividing by multiples of 10, reading pie charts and calculating.

Willows

Willows have started Jack and the Beanstalk this week and we are really enjoying it. Next week some of us will be planning and writing our own stories based on Jack & the Beanstalk, what will we find at the top of our beanstalks?

We will be making potions for the witch in maths, and would really appreciate any small plastic bottles, empty washing up bottles, and empty pump hand wash bottles. Thank you.

Times Table Olympics:

Congratulations to Alfie for achieving his Olympic Level and Maya, Jayden and Harvey for achieving their Level 4.

Sports Houses

As we develop our sports in the school, each child has been put into a house. These houses allow us to do intra and inter sports competitions to see which house will be the winning team. This information will help us to apply for a higher sports award.

We are also using the points to reward certain behaviour in addition to the 'great day' bees, as a collective behaviour reward. Part of being on a winning sports team includes sportsmanship, respect, careful listening, team work and cooperation.

The houses are - Benjamin Britten (Red), Stephen Hawking (Blue), Beatrix Potter (Green) and Kelly Holmes (Yellow).

All the children have now been given their badges to wear in school each day and over the coming weeks they will learn more about each of the people the houses are named after

Years 6's

Next week is SAT's week. Please can we ask that all Year 6 children are in bed by a reasonable hour. SAT's breakfast club will be starting at 8am from Monday to Thursday.

Maths Whizz Results

Well done to Barley, Jayden, Molly Inston, William Bidle, Lily Denny and Betty for brilliant usage.

Amazing progress has been made this fortnight by: Barley, Kylian, Molly Inston, William Bidle, Lily Denny and Henry Borrett.

Special mention to Barley who achieved an extremely impressive 26.2 progression average over the last 2 weeks. Well done.

Maths Whizz

It is our biggest fundraiser and in order to make it a brilliant success we really appreciate lots of donations of, tombola prizes, bottles of wine, raffle prizes and cakes on the day.

If anyone knows someone who would like to have a stall at the fete it is £10 a stall. Also if you know a restaurant, shop or any other business that would like to donate a voucher or prize for the raffle, we would gratefully receive it. Or a local business that would like to sponsor our BBQ then please let us know.

Gardening Club

Over the past couple of weeks all the children in Oaks class have started doing lots to improve the front garden area. Our fantastic parents, Sarah Denny and Claire Noakes, have been working so hard to get the children involved in everything to do with gardening and I think you'll all agree how fantastic it is looking! Thank you both for giving up your time.

Next week they will be making a start on scarecrows and would like donations of old jackets, large tights and hats, together with empty coke/lemonade bottles. If you are able to bring these in before next Friday 18th May, that would be great. Below are a few photos of what the children have been doing this morning.

Dates for your Diary

Monday 14th- 17th May - Year 6 SATS week - Don't forget breakfast club @ 8am

Friday 18th May - Reception hearing/vision - This is a follow on from the initial letter of consent sent out prior to the height/weight in November, if you do have any queries regarding this please see the school office.

Dates for
the Diary:

Summer Holiday Play Scheme Programme 2018.

To book your child's place please complete the form below and return to nursery with full payment. Payment can be made via bank transfer or by card payment in setting.

Important Information:

- The holiday play scheme is open to children aged 3 years - 12 years.
- Session times run from 8:30 until 3:30, and cost £30 per full day session.
- Appropriate clothing must be supplied, such as waterproofs, jackets, wellington boots, sun hats and of course, suncream! (Children will apply suncream themselves due to safeguarding regulations).
- A packed lunch is required unless otherwise stated.
- Due to the high demand for places, no refund will be given for cancelled or unattended places. Our holiday play scheme follows the same policies and procedures as the nursery sessions. A copy of the policies and procedures can be found in the parent information box.
- All outstanding payments must be made by **Friday 6th July 2018.**

Why not take advantage of our Special Offer:

Book 3 sessions for £70

When booked separately each session costs £30 per day.

| Date | Workshop and Activity | Please write your child's name in the box next to the work shops / activities that you would like to book. |
|----------------------|--|--|
| Tuesday 31st July | Cowboys and The Wild West - We have a busy day ahead, including Native American head-dress and making hobby horses to race on. | |
| Wednesday 1st August | Fairy Tales, from Traditional Tales to Folk Tales, to Revolting Rhymes! Not only will we be learning revolting rhymes but we will also be making puppets to retell our favourite stories. | |

| | | |
|-----------------------|--|--|
| Thursday 2nd August | Dragons and Unicorns - whether you like fire breathing dragons or sparking unicorns today is a day not to be missed! We will be making swords to fight dragons and some beautiful unicorn sun catchers. | |
| Tuesday 7th August | Space - A day of wonder, as we learn why do stars twinkle? We will be making our own solar system models and sending some rockets as close as we can get them to space! | |
| Wednesday 8th August | Sports Day - Don't forget to bring your trainers! From running races to wacky races, from football to rounders. | |
| Thursday 9th August | Dinosaur Day - We will be carrying out our own archaeological dig as well as working together to create one fabulous giant dinosaur! | |
| Tuesday 14th August | Pirates ahoy! Dress in your best pirate outfit for a day of adventures at sea! Climb aboard the Stepping Stones pirate ship as we seek out our own treasure island. | |
| Wednesday 15th August | Superheroes - We will be making super hero capes and posing for our own super hero photo shoot. | |
| Thursday 16th August | Construction Day - We will be making racing cars and sailing boats to race against each other. As well as building using our wide range of construction materials. | |
| Tuesday 21st August | Under the Sea - We will be learning the names of some wonderful sea creatures and building our own under the sea habitat. We will be participating in some fabulous art and craft activities. | |
| Wednesday 22nd August | Creepy Crawly Calypso - We will be making homes for creepy crawly insects and stunning bee boxes, whilst learning just how important bees are! | |

Thursday 23rd August

A Royal Celebration - With a Royal baby and a Royal wedding during the past few months, we will be celebrating the end of the summer with a traditional 'street party'. We will be making hats and crowns, and eat some delicious Victoria sponges, to celebrate on our last Day of the Summer Holiday Play Scheme! We can not wait to play 'Pin the tail on the Corgi!'
