Values for Life - Truthfulness

The theme for this week has been 'Choosing the Truth'

Oaks

This week we have been adding and subtracting across the decimal point, and comparing very expensive car and house prices.

We have been improving and editing our alien stories.

Over the next few weeks we will be continuing to rehearse Joseph.

Willows

Please can Willows bring in various cardboard boxes or tubes etc for some junk modelling. No egg boxes or toilet rolls. We will need this on Friday 22nd June.

In literacy we have been looking at mini beast riddles, writing our own riddles for others to guess. You are welcome to come and see our riddle display in Willows classroom - see how many you can guess.

In maths we have been working on addition and subtraction, with a focus on money. Pupils would really benefit from looking at coins at home and knowing the value of the coins.

Times Table Olympics:

This week: Congratulations to Alfie for achieving his Level 2, Maya for achieving her Level 7 and to Jack Bidle for achieving his Level 3.

Saturday Nurture Garden Tidy

Saturday's Nurture Garden Tidy is still running tomorrow from 9-10:30am, we hope to see you all then. Due to Health and Safety requirements we are leaving the larger structures for a professional, but please come along to help Mrs Whyte with a bit of a revamp of the outdoor nurture area. If possible please bring along shears and other gardening tools.

Tempest Photos

Class and whole school photo went home with your child this week. Please note that all orders are being collected **Friday 22nd June**, this is so that we can make sure your photo orders arrive before the end of term. Please can you make sure that these are in prior to this date.
