Values for Life - Truthfulness

The theme for this week has been 'Standing for the Truth'

Oaks

This week we have been playing and designing our own maths games and rehearsing Joseph.

Willows

Willows are still learning about minibeasts and this week we have been looking at micro habitats. Why not go outside and have a hunt in your garden and draw or write about which minibeasts you find and their habitats.

Friday Nurture Garden Tidy

Thank you to all that helped tidy and organise the Nurture Garden last Friday.

Beccles & Bungay Top Class Supplement

In today's Beccles & Bungay Journal there is a Top Class supplement with photo of our Year 6's Leavers. Newspaper vouchers have gone home to receive money off Fridays Edition.

Whizzing Wonders

Amazing Usage - Joshua Genn-Bromley, Lydia, Jayden, Lily Denny and Lacy Wolfe

Brilliant Progress - Lydia, Kylian, Harvey, Lily Denny, Lily Wolfe and Myles Chenery

The cup went to Willows by double the amount of progressions

Maths Whizz

Times Table Olympics

Well done to Alfie for achieving his Level 2, Holly for achieving her Level 13, Jack Bidle for achieving his Level 6, Jack Tidnam for achieving his Gold and Maya for achieving her Level 8.

Reminder

Please can all the Go Go Hare Trip permission slips be returned by the beginning of next week please.

Solihull

We are coming to the end of our **FREE** Solihull sign up. By registering for a Solihull account you can access loads of free parenting advice and research to support you with your little darlings.

Have you ever sat at night thinking how peaceful and calm it is when they're in bed? Wondered why they can't be the little cherub they are with granny, with you? They may well be perfect angels at the minute but who's to say what will happen when hormones kick in?

Whatever your parenting dilemma the Solihull Approach can help. But **NOT** if you don't sign up for a free account **NOW!** Save yourself over £40 and get peace of mind that an incredible parenting tool is waiting online when you need it.

Log in to www.inourplace.co.uk and enter the code **ELLINGWOODSEPT18**
Please find attached letters for further guidance and information.

Pupils Music Concert

On Monday 9th July in the early evening Theresa Long will be holding a fundraising concert at Ellingham Primary. Further details will follow on times and children taking part. The choir will also be performing.

Permission Form

We still have outstanding permission slips about videoing and taking photos at our school Summer Production. Please read this very carefully and this **MUST** be returned with either option filled out.

Amazing Sports Day

Congratulations to ALL the children for their effort at their Sports Day. Everyone did so well, and WELL DONE to the Green Team, Alfie, Brooke, Jed, Toby, Maya, Myles, Nora, Phoebe, Mollie, and Betty, for winning the cup.

The Great Bungay Duck Race

The duck event is being held at Falcon Meadow on Sunday 8th July 2018. If you would like to purchase a duck to decorate and join in on the day, we have some ducks in the school office that you can come and purchase. One Duck is £5, £9 for two or £12 for three. Please find attached news on their Duck decorating day.

Summer Production

The children's Summer Production 'Joseph', will be on Thursday 12th July from 2pm. Letters have gone home detailing the arrangements on the day and details about the dress rehearsal.

Tickets are now for sale from the school office, £1 per admission.

the Diary:

Ellingham VC Primary School

How to Guide: Your coupon code

Understanding Your Child: Online course

Congratulations! Your child's school have purchased for your use a coupon code (valid until October 2018) which gives you and other members of the school community FREE, LIFELONG access to an award winning course all about children, their development, emotions and behaviour. This course normally costs £39.

We hope you enjoy it and find it interesting!

Your coupon code is:

ELLINGWOODSEPT18

To access the course for the first time, follow these simple steps:

1. First sign up for a free, secure, account at www.inourplace.co.uk by clicking on 'Start now'. You will be prompted to enter your name, email address, and create a password. This will be **your** account on Ourplace, and you can safely keep information and photos here if you wish*.
2. Once you have made your account scroll down and find the 'Understanding your child' box (with a green heading) and click on the 'Take course' button.
3. Click on 'Already have a discount coupon?'. Enter the coupon code above in the box and click 'Apply coupon'. Once it is accepted click on 'Sign up'.

Then you can start your course! Any time you want to access it in future go to www.inourplace.co.uk, click on 'Learn' along the top of the screen, and then 'Take course' in the 'Parenting online course' box. Your Ourplace account will remember where you got up to and will resume from this point. You can also go back over sections you have already completed. The course can be used on PCs, Macs, laptops, tablets and smartphones.

*The Solihull Approach will not pass on your information to any third party, and you will receive no adverts. We may contact you occasionally to let you know about updates to the course.

Information for parents and carers

What is this free access code for?

It is for an enjoyable and popular online learning course called “Understanding Your Child” for parents and carers. The course has been written by the Solihull Approach, which is a well recognised NHS provider of information and courses for parents. The online course normally costs £39 for each user.

Who is this course for?

For ALL parents or carer of any child from birth to age 18 years. You don't need to be struggling. This course is relevant to parents of all children, including those with special needs, autism, ADHD etc.

What's the evidence supporting this online course?

Research shows that this online course helps reduce conflict in families and increase closeness. Families tell us this course helps with managing children's strong feelings, family communication, understanding each other and behaviour. We are actively involved in evaluating all our groups.

What will I need to complete the online course?

All you need to get started is your coupon code, an up-to-date internet browser on a computer, laptop, tablet or smartphone (the local libraries or your school may be able to provide access to this), and an email address. Go to our website, inourplace.co.uk, click on 'Start now', register as a new user by entering your email address and a password, scroll down to the 'Understanding your child' box (with a green heading) and click 'Take Course', click 'Already got a coupon code?' and enter your code/coupon as instructed.

How much time does the course take?

It has 11 sessions which take about 20 minutes each. We recommend you do about one session a week. There are activities for you to try between your online sessions which can enhance your learning.

How do I get started?

Go to our website (www.inourplace.co.uk/learn-now) register and follow the instructions about using a coupon.

Does my access code expire?

Your coupon may have an expiry date, depending on where it came from. However you only need to use the code the first time you enter the course, after that your log-in details will NOT expire and you can access the course for years to come, as your child grows. So get going ASAP and continue at your leisure!

Can I get more codes for friends or other family members?

Yes it is possible to buy a coupon code as a gift. Go to www.inourplace.co.uk – click on Online Courses and follow the instructions How to Purchase, clicking on Buy as Gift when prompted.
