Values for Life - Truthfulness

The theme for this week has been 'Searching for the Truth'

Oaks

This week we have finished learning all the dance routines for Joseph.

Science: We had a science afternoon where we made various designs of paper aeroplanes and solar ovens. We tested the efficiency of the aeroplanes and measured length flown. The solar ovens melted the chocolate but we are going to test using marshmallows next week.

Maths: We have calculated area and perimeter using algebra and equations.

Willows

Please can you, over the weekend, check your child's hair as we have a few cases of headlice in Willows class. Thank you Willows had a lovely afternoon Wednesday with Jess from Cbeebies learning all about minibeasts.

Pupils Music Concert

On Monday 9th July in the early evening Theresa Long will be holding a fundraising concert at Ellingham Primary. Starting at 6pm, letters have gone home for the choir who have been invited to perform.

CHANGE OF TIME

Summer Production

Wednesday 11th July: years 2,3,4,5 and 6 will need to be dropped off at the village hall for normal drop off time in the morning they will be there until 1pm when they will then walk back to school to be collected from school at normal time. Therefore all children will need a packed lunch.

Thursday 12th July: Children taking part need to be dropped off at the village Hall at 9am. They will spend the day there so will need to bring a packed lunch. Willows Class will be walking up to the hall to watch the performance and will leave school at 1.30pm; therefore siblings will be at the village hall for you to collect from there. The PTA will kindly be doing refreshments after the performance, any cake donations to be dropped off at the hall in the morning please.
