Values for Life – Reverence and Respect

The theme for this week has been reverence and respect for Sacred Objects and next week will be reverence and respect for God.

Importance of our newsletter

Our newsletter comes out weekly with lots of important information and dairy dates, so please read the newsletter weekly to keep up to date.

Our website will be updated every week too, with events entered on the calendar and also permission letters for trips and events will be available under your child's class name for the convenience of printing off yourself.

Please can we ask that PE kits and clothing is taken home every Friday. Also please check your child's book bags every day, as letters and permission forms are sent home regularly.

The Parent Board is back, just inside the entrance door. A copy of the newsletter and other important notices will be put on it every week, so please take the time to have a look.

Swimming Gala

Congratulations to Toby and Jack B for their achievements in their swimming races yesterday and for being so well behaved. They contributed to the Hobart Cluster finishing 2nd.

Tesco Uniform

We have been informed that the Tesco School Uniform Embroidery service will close on 12th February 2019. The current supplier to Tesco have, however, set up an alternative service called My Clothing. You can find their website at <https://myclothing.com/woodton-primary-school/7833.school>

Please note they now sell, iron on clothes labels, for labelling all your childrens clothing/shoes.

Class Updates

Willows

Literacy: We have been looking at the story 'You can't take an elephant on a bus' we have written our own ideas for this and different commands. Reception have been writing about their favourite transport.

Maths: we have been solving missing number problems and Reception have been investigating 2D shapes. Please continue to practise spellings, times tables and reading.

Willows have come up with the idea of having a box of books to borrow and share at home. We will be putting the purple box on top of the lunch boxes so children from both classes can access it. If you do borrow a book please return it.

Oaks

Maths: We have been converting improper to mixed fractions and vice versa, and converting imperial measures to metric measures using line graphs.

Literacy: We have written our own Harry Potter stories and our own Howlers.

Science: We have labelled parts of a flower and made our own using plasticine and drawings.

Well done to Jack T for achieving the European time table Olympics.

PTA News

Fundraising 2019

We have been discussing the idea of creating a recipe book filled with families and friends very own favourite recipes, these can be anything from your most delicious desert or a most scrumptious main meal.

If you would like to join in with creating this book, then please bring your favourite recipe into the office.

Also spread the word to your families, we would love to hear about grandma or grandad's family favourites.

We are also looking to see if anyone works or knows of a printers that could help us with the making of this recipe book, if so please speak to the office or a member of the PTA. Thank you
