## Pupil Asset Parent App

A letter has gone home today about an exciting app which we will be using from September. The Pupil Asset Parent app will allow you to book your child's school lunches, send permission for school trips and let you view your child's attendance. We will be allowing access to the app from next week so please download it and have a good look around. You can practice ordering your child's lunches but please still order them with the school office as normal, as well until the end of term.

**From September, we will be using the information we receive from the parent app to book your child's school lunch, so please remember to input their choices, even if they are entitled to free school meals. You can book meals in advance and make changes, but the cut off is at 9am on the day.**

If you have any questions regarding the app, or are having difficulty downloading it, please speak to the school office.

## Norfolk School Library Books

We have started to get together the library books to be returned to the Norfolk School Library Service. Please can everyone check at home and in their child's bag for any of these books. If you have any, please return them to school as soon as possible, as we get charged for any books not returned. Thank you.

## Wellies

Please can you ensure that you take all of your child's belongings home for the summer holidays. Any wellies which are left over the summer holidays will be disposed of as they will deteriorate over the summer.

### Eco-Committee Meeting

On Monday 22<sup>nd</sup> July there will be an eco-committee meeting at 12.10 in Swallows classroom. Please can all children on the eco-committee bring in a packed lunch on this day, thank you.

### PTA Bits

Please can you return the permission forms asap for the KS2 end of term disco. The PTA need to know how many people to cater for and so need your forms back urgently, thank you.

### Clairvoyant Evening - Friday 26<sup>th</sup> July -

There are still tickets available for this event which is being held in the village hall. Please see a member of the PTA if you require tickets.

### Walking Bus

Due to the popularity of the walking bus, it now runs on a Tuesday, Wednesday and Thursday.

Please can you see the office to put your name down if you want your child to be included.

The walking bus meets at 8.15am in the Olive Tree Car Park. We will operate every week, unless there are adverse weather conditions, in which case, a message via the Whatsapp group will be sent out.

Please note that for those who live outside of the village, the owners of The Olive Tree have said that it is ok to use their car park as a safe dropping off point. **Please do drive into the car park slowly and carefully as there are lots of children moving around. Please also refrain from using the carpark to turn around. Pulling in slowly to drop off is fine, but please then continue to drive on.**

We are extremely grateful to Rafe and Gail at The Olive Tree for supporting the walking bus and allowing us to use their car park as a starting point.

### PTA Ice Lollies for Sale

The PTA will be selling ice lollies after school on a Friday this week. They will be 50p, so don't forget to bring in some change.

### Summer Fete

Thank you to all who donated items for the fete and who came along to support us. Despite the terrible weather, we had a fantastic turn out. The PTA took just over £1800, which is amazing. Thank you for all your hard work.

### Class Attendance

We will be putting the class attendance for each week on the newsletter from now on. The class with the highest attendance each week will have a little in class treat from their teacher. This will run from the previous Friday to the current Thursday. Let's see which class can get 100% attendance every week.

Sparrows - 97.22%

Skylarks - 96.52%

Swifts - 96.67%

Swallows - 99.72% Well done Swallows! 😊

### Oliver!

I am sure you will all agree that this year's performance of *Oliver!* was amazing. The children all worked really hard to put on a good show and the amount of effort from all the staff involved is incredible. A special thanks must go to Jason Collins who has given up a huge amount of his time to work with the children, we really do appreciate it. Mrs Kenyon deserves a special mention for tireless work with the children and behind the scenes, making sure the whole thing runs smoothly.

If anyone has taken any photos, please forward them to the school office via email. Thank you.
