Thank you to all that have downloaded the new Parent App and have started to use it. Please can we ask that dinner orders for the whole week ahead are placed before 9am on Monday. If you find it easier you can place your child's dinner order for the whole term. If your child is not having a school meal, please can you pick the option of 'OWN MEAL' for that day. Any questions regarding the app, or if you are having difficulty using it, please speak to the school office. Eventually this will be the only source we will use for all correspondence and dinner orders.
